NOTICE IN SUPPORT OF SECOND AMENDED PETITION

Petitioners Western Energy Alliance and the Petroleum Association of Wyoming (“PAW”) submit respectfully this notice under Rule 15(a)(2) of the Federal Rules of Civil Procedure to advise the Court that, contemporaneous with this notice, Petitioners are filing a Second Amended Petition. In association with that filing, Petitioners submit the following:

1. Petitioners' Second Amended Petition adds PAW as a Plaintiff in this action. The Second Amended Petition does not modify any other substantive aspect of the previously operative petition, *see* Am. Pet. for Review of Gov't Action, filed Feb. 23, 2021 (ECF No. 4); nor does the Second Amended Petition add any allegation or revise any allegation advanced in the previously operative petition.

2. No prejudice or delay will result from the filing of the Second Amended Petition. Federal defendants have not yet filed any responsive pleading in this action and no additional time or proceedings will become necessary because of Petitioners' filing.

3. On March 15, 2021, Petitioners counsel conferred with federal defendants' concerning Petitioners' intent to file the Second Amended Complaint. On March 17, 2021, federal defendants' counsel advised Petitioners that federal consent to Petitioners' filing of the Second Amended Complaint.

Submitted respectfully this 17th day of March, 2021,
