## **Xcel Energy Vice President Provides Insight on Clean Air, Clean Jobs Act**

(DENVER) – Western Energy Alliance (formerly IPAMS) will host Susan Arigoni, Vice President, Fuels for Xcel Energy, as part of the association's *Distinguished Speaker Series*. The presentation will focus on Xcel's plans for expanded use of natural gas electric generation in Colorado. The event will be held on Thursday, November 11, 2010 at 3:30 p.m. at the Brown Palace Hotel in downtown Denver.

Susan Arigoni is responsible for acquiring coal, natural gas and nuclear fuel for Xcel Energy's eight-state electric generation and natural gas distribution businesses. Prior to her current position, she served as Vice President, Asset Management and Planning for Xcel's Energy Supply business unit.

Ms. Arigoni holds an undergraduate degree from Duquesne University and an MBA in Finance from Regis University. She is a graduate of Harvard Business School's Program for Management Development, and serves on the Corporate Advisory Board for the Women in Engineering Program at the University of Colorado, Boulder.
